Happy Valentine's Day

OK all you guys in the club, it's time for you to start thinking about doing something extra special for that certain someone in your life ... and no, I'm not talking about the crew that comes by once a week to mow your lawn !

I hope this monthly correspondence finds everyone doing well, getting revved up for all the great things that are shaping up for this New Civitan Year.

At our January 10th Lunch Meeting, our guest speaker was Wendy Carvotta, who provided a quite informative presentation on Childhood Cancer Awareness. Some of the statistics she shared were quite alarming to say the least. This meeting was yet another shining example of the great quality guest speakers your fellow club members arrange for us time and time again.

For our evening meeting on January 24th, Rob Rhodes arranged for Stacy Georges to be our guest speaker, who spoke with us about Your Respite.

Your Respite was started in 2007 by Stacy to provide childcare, in your home, for special needs children, up to the age 19. Respite care is for folks to enjoy well-deserved time for themselves.

Your Respite will be having their 2nd annual dinner and dance & silent auction. Regal Rock'n for Respite, Stacy's husband, Tom, is a member of a rock band and will be the entertainment that night. Please come and join several of East Cobb Civitans at this function! It will be held at Olde Towne Athletic Club at 6:30 PM on Saturday April 13th.

Clergy Appreciation Meeting

Our club will be honoring local clergy at our annual Clergy Appreciation Day at our February 14th meeting.

Each February, Civitan Clubs around the world recognize clergy of all faiths for their service to their communities.

The Civitan Clergy Appreciation Days are held to recognize the heroism of four U.S. army chaplains during World War II who were aboard the U.S. troopship *Dorchester* on February 3, 1943.

When the ship was torpedoed in the North Atlantic, these men of different faiths worked together to evacuate the soldiers, ultimately giving their lives by offering up their own life jackets.

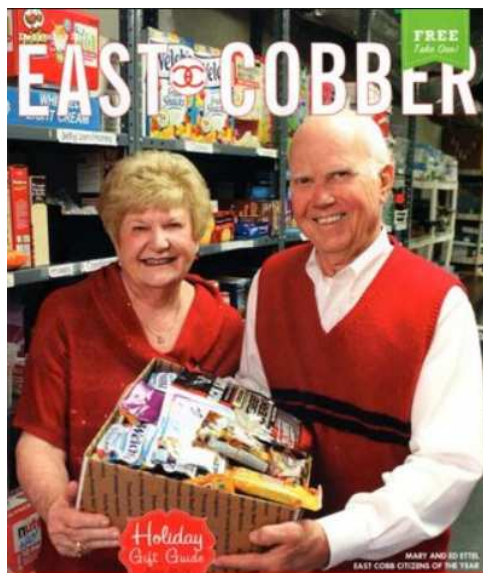

**Project
Mail
Call**

In lieu of our evening meeting on February 28th, we will be participating in our annual project at the Ettel's Home in East Cobb for Project Mail Call.

If you haven't been to one of these hands on projects, you're missing out. Mary and Ed have converted their basement into a "mini warehouse" and production facility for preparing care packages to be sent around the world to the troops serving our country.

Several members of our club have said this is their most favorite hands on project of the year, hopefully you can come and see why ...

We'll be getting everyone directions to the Ettel's house (off of Paper Mill Road), for those that are planning on attending.

President Michael has announced recently filled positions in our club ...

- * Carolyn Polakowski has been appointed Club Membership Chairperson
- * Rob Rhodes has assumed the position of Awards Chairperson
- * Additionally Rob has agreed to take on the role of “temporary president elect”, and will fill in for President Michael as needs arise.

And, we are still looking for that “special someone” to volunteer for President Elect, whom will also then transition into the Club President for the 2019/2020 Civitan Year.
